Where can I learn English in my community?

Adult School	Public Library	Las Positas College
Dublin, Livermore, Pleasanton	**Dublin, Livermore, Pleasanton**	**Livermore**
I want to study English in a classroom environment with a credentialed teacher.	I want to study English one-on-one or in a small group with a trained volunteer tutor.	I am ready for an intensive, formal academic learning environment with an ESL professor.
I need to improve my English to find a better job and support my family.	I want to improve my English to help my family, to be a better worker, and to engage in my community.	I need to improve my English skills for personal, academic and/or career advancement.
I want to access basic skill resources like High School Equivalency, Citizenship and Computer Skills.	I want to use the library's free resources including books, programs, computers, and many other services and materials.	I am interested in using campus resources such as the Career Center, Student Health, Athletics and Tutoring Center.
I want to feel confident communicating in English in my daily life.	I want to learn more about life in the United States and my community.	I want to earn a degree or certificate.
I am considering attending college in the United States.	I want to improve my English to be more confident in everyday situations.	I am considering transferring to a 4-year university.
It is **free** to attend adult schools, regardless of your residency or immigration status. You must be 18 years or older to attend.	All public library services are **free**. You must be 18 years or older to participate in 1:1 tutoring and small group meetings. Anyone can get a library card!	Noncredit ESL courses are **free**. Costs of textbooks depends on the courses you choose. Cost of credit courses depends on income and residency status. Many students qualify for **financial assistance.**
